1. Previous status reports to the Court have conveyed that the undersigned counsels and their respective Parties have been engaged in the disclosure and review of thousands of invoices in a continuing effort to settle this matter, and that an extensive audit review process of

1 this material had been conducted.

2 2. Since the last Joint Status Report submitted by the Parties, settlement discussions

4 other. Despite the Parties' best efforts, they remain unable to arrive at a compromise, to-date.

5 3. In light of the foregoing, at this time, the Parties now agree and jointly request that
6 the Court extend the previously-granted stay in this matter *one additional time* - through and
7 including February 28, 2025.

8 4. The Parties further agree that, by the end of the currently-sought extension (i.e., as
9 of March 1, 2025), one (1) of two (2) outcomes will be communicated to the Court (i.e., either the
10 Parties will file a Notice of Tentative Settlement, or the Parties will file a Notice of Termination
11 of Stay to return this matter to litigation).

12 5. The Parties further agree that if this matter is not settled by the requested date and
13 the matter returned to litigation, the parties will convene a conference pursuant to LR 26-1 to
14 exchange documents and witnesses within seven (7) days, once a Notice of Termination of Stay is
15 filed with the Court.

16 6. Lastly, the Parties respectfully request that the status check set for January 23,
17 2025 be vacated.
